

ARLES

About Arles

Arles is a modern bistro located on a quiet side street of De Pijp in Amsterdam. Like the Parisian bistronomy scene, we serve creative dishes at democratic prices in a casual and artistic setting.

Numa Muller, our chef who is originally from Arles, creates a new 3, 4 and 5-course menu every month. His neo-bistro dishes are understandable but surprising by combining French cuisine with influences from elsewhere.

Our all-French wine list consists of an interesting combination between traditional wine producers and upcoming vins naturels. In 2022, our restaurant has been awarded a Bib-Gourmand for the fifth consecutive year.
